PROFESSIONAL SUMMARY

Rob joined Anchor in March of 2026. As Facilities Maintenance Director, he leads the company's facilities operations, business development, and client services. With over five years of experience in facilities management and a background in construction specializing in hotel remodel, he brings strong technical knowledge and hands-on expertise in building systems and repair operations.

In his role, he oversees maintenance technicians and subcontractors, manages work order scheduling, and ensures all services meet company quality standards. He also leads business development initiatives, including preparing marketing materials, developing proposals, and presenting solutions to prospective clients. In addition, he manages client relationships, pricing, billing oversight, and reporting, ensuring a high level of service and satisfaction.
